Document Number: ARB F02

Document Name: Hardship Registration

Arbitration Hardship Registration Application

Application Fee: \$100 Payable to ACPS

Application for Purebred / Half-bred Connemara under the hardship case is necessary due to the fact that the required registration process has not been completed. The objective is to preserve and protect the integrity of the Purebred Connemara Pony in America. The onus of proof is on the appellant to provide the missing information required by the ACPS Registration Policy. Proof of DNA parentage will not be waived. Upon completion of DNA parentage verification each case will be evaluated for Hardship consideration. Please complete the form and submit. All costs associated with the registration process per Applicant is at the owners' expense. Please note that after review from the Executive Panel (Current officers and Past President) decision will be final and there is NO Guarantee of outcome. One pony per application. Any and all fees are nonrefundable.
