Region III December meeting will be held at Ruxville Farm, home of Kim Harrison, 6001 Clayville Lane, Moseley, Virginia 23120 on December 4<sup>th</sup>, 2022 at noon. **Let's have a tack swap!** Clean out your tack trunks and bring all your unused "treasures" to buy, sell or trade with the rest of us. Maybe find a Christmas present for your pony or someone else in some one else's pile! Please bring a dish to share and RSVP to Kim at [vaharrisons@verizon.net](mailto:vaharrisons@verizon.net) so we can have enough plates. GPS will get you to the general area of the mailbox, which has 6001 on it, but be sure to come down the long gravel drive with pasture on both sides. If you go down the paved drive into the woods you are on the wrong way.

**A reminder from the registrar: Get your foals registered in a timely manner so they get their USEF lifetime recording number. The foal must be registered completely, in the year of its birth. Stallion owners should provide that information to their clients too!**

## Potential Activities

Would any one like to try a region "Field Day" such as they have up in Region I? There is a farm in Bedford, Virginia with a "mountain trail" obstacle course that could be fun. [Coyote Crossing Equestrian Center - Equestrian Center, Horse Park](#)

We could schedule a clinic. Let me know what you think, Kim Harrison, region chair

Another suggestion to have in conjunction with our December or March meeting is a saddle fitting clinic/demonstration. Any interest?
